Inverloch Scout Group had the South Gippsland Abseiling team at Inverloch for the Annual Botanic Home Inverloch family fun festival. The Group also cooked a great barbecue as a fundraiser. As well as letting kids and parents abseil, they had Bob the Builder climb the ladder to abseil down the tower. Another who abseiled was a child called Scout.

South Gippsland District did their Annual Bike hike on the Great Southern Rail Trail from Meeniyan to Foster and back. The Foster Scout Group hosted all at their hall for a fundraiser by catering the dinner and breakfast for 87 members that took part in this weekend. For the whole weekend only one bike got a flat.

West Coast Region Air Activities

It was wheels up and chocs away when the Victorian Scout Air Activities team visited the Warrnambool Aerodrome for a Regional Air Activities day. Joeys, Cubs, Scouts, Venturers and even the Rovers turned out in force with 130 participants coming from as far away as Portland to the west, Camperdown to the east and Cavendish to the north. With rough weather in the morning and dark skies worrying the kids and even the leaders it soon cleared to provide a brilliant day for flying with everyone enjoying the flight and the view's over the south west coast line. While waiting for our flights we all learnt how an Aeroplane works so the day even had some educational highlights. A huge thanks must go out to all the leaders, adult helpers, Rovers and Venturers that helped on the day, Everyone is looking forward to the next time the Air Activities team visits.
